

SOLVING DOWNLOAD PROBLEM UNDER CHROME BROWSER

Step 1. Select the *Settings* menu in Chrome.

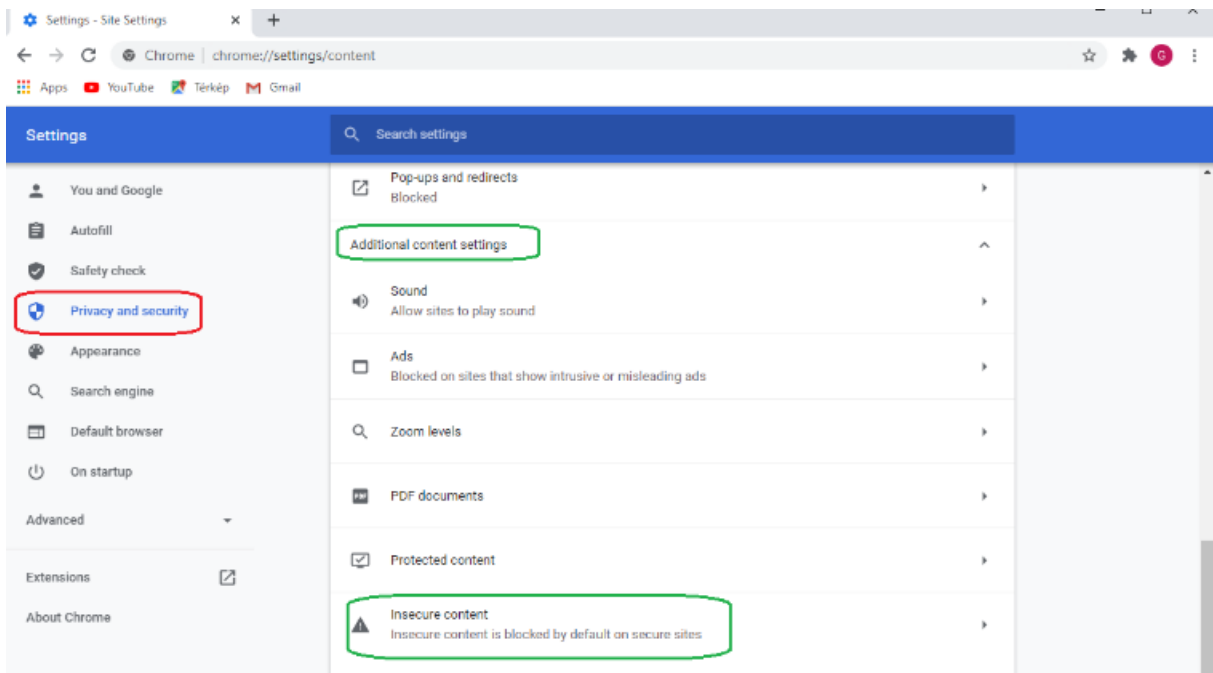

Step 2.

Choose *Setting/ Privacy and security* menu item and *Site Settings* item

Step 3.

Under *Site Settings* choose *Additional content settings* (last pop-up on the page) and select *Insecure content*.

Step 4.

Here, you have to add axisvm.eu websites with *Allow /Add* option.
